

 Activity 03: Road Crossing Game

Task: Road Crossing Game

Step 1: Player Sprite (Animal like Frog, Cat, Turtle)

- Choose **any animal sprite** to be your player.
- The player should move **side to side** when you press:
 - **Right Arrow** → Go right
 - **Left Arrow** → Go left
 - **Up Arrow** → Go up
 - **Down Arrow** → Go Down

Step 2: Vertical Road and Cars:

- Make a road going from **left to right**.
- Add **cars or buses** that:
 - Move **from left to right** on the screen(using goto and glide instruction)
 - Change their costume before returning.
 - Come back again after going off-screen(forever)

Final Goal

- Make a **short video** to show your game.
- In the video, tell:
 - How you made the **cars move**
 - How the **player moves**
- **Send the video in the Discord**
